COVER Co155 Palatino Chronograph

Modern, sporty, with perfect proportions. The minimalistic yet interesting details of the dial design give this watch its particular character. The pyramid pattern and indices as design features. The scratch-resistant sapphire glass as a quality feature. A wide variety of colour combinations with a rubber strap of classic compositions with a leather strap underline the individuality of Palatino chronographs. A steel strap with sports folding clasp is also available. Waterproof to 100 metres.
