## **COVER Co170 Aragon Day Retrograde Chronograph**

Masculine and strong in character, this line of COVER gent watches radiates the true spirit of refined watchmaking. The modest design of case and dial is combined with hands and crown of outstanding nature to reflect the genuine spirit of vintage watch design. It is the perfect timepiece for successful gentlemen who adore timeless aesthetic values. The COVER Aragon line consists of three different models each of which comes in a wide range of variations.

Suited to those gentlemen who are passionate about perfect timing, the elegance of the Aragon Day Retrograde design is combined with the sportive touch of the chronograph features.
