## **COVER Co171 Aragon Day Retrograde**

Masculine and strong in character, this line of COVER gent watches radiates the true spirit of refined watchmaking. The modest design of case and dial is combined with hands and crown of outstanding nature to reflect the genuine spirit of vintage watch design. It is the perfect timepiece for successful gentlemen who adore timeless aesthetic values. The COVER Aragon line consists of three different models each of which comes in a wide range of variations.

The Aragon Day Retrograde is the perfect model for those gentlemen who are passionate about charismatic timepieces. Its compelling design captivates with a day indication at 12 o'clock and a Big Date indication together with a small second at the 6 o'clock position.
